Cody,

Can I give you a call on this? EPA management would like us to put a brief inspection report together as well, I was hoping I could give you a call tomorrow or early next week regarding some information. Thank you

Jena and Cody,

Would you be able to provide me with your office numbers so that I can put them in our inspection report for Lawson Road. I will share the report with you before finalizing. We are not putting a report together for the Inland Bays WWTP. Will you be putting a report together for Inland Bays? Thank you
